April 2, 2020

Wauneta-Palisade Parents/Guardians and Patrons:

The impact of COVID-19 is changing how the end of our school year looks, but we want to maintain open communication between all those involved in our school. Our mission at Wauneta-Palisade is "Inspiring Our Youth and Expecting Results Every Day" and our goal is to continue to live out this mission. In order to do that, we will continue to engage our students and provide meaningful educational materials and activities with a focus on student learning.

At this point, elementary students (PK-5) will continue with Enrichment Activities using the same format currently in place.

In our middle and high school (grades 6-12), we will shift from Enrichment Activities to Instructional Activities beginning Monday, April 6, 2020. Class assignments will be assessed/graded and students will receive feedback from teachers on their work. Student achievement on class assignments will have an impact on final second semester grades. In an effort to provide consistency and structure to students and to improve access to teachers, we will implement the following schedule for Zoom class meetings, also beginning Monday, April 6:

6-12 Grade Zoom Class Schedule

Monday & Wednesday (times are Mountain time)

8:30-9:00- 1st period
9:15-9:45- 2nd period
10:00-10:30- 3rd period
10:45-11:15- 4th period

Tuesday & Thursday (times are Mountain time)

9:15-9:45- 6th period
10:00-10:30- 7th period
10:45-11:15- 8th period

- *The purpose of Zoom class meetings are for instruction, support, and to provide opportunities for students to interact with and ask questions of the teacher. These Zoom classes will be recorded and made available for any students who are unable to attend the live Zoom class.*
- *Teachers will be available for students who have further questions or need support from 12:00-2:30 MT Monday-Thursday via email, or other means of communication as determined by the teacher.*

We will continue to provide grab-and-go breakfast and lunch in both Wauneta and Palisade each week day. If you are not currently utilizing this opportunity for free meals for students age 0-18, but would like to please contact either school office.

These are difficult times for everyone. We are here to provide an education to our students, and also to support them and their families as much as we are able. Thank you for your support, understanding, and patience with this matter. Please Contact the school if you have questions or need further support. **Remember, we are in this together!**

Educationally yours,

Randy Geier, Superintendent
