## **Section 427 of the General Education Provision Act (GEPA)**

### **GEPA Statement for CRRSA ESSER II Funds**

Wauneta-Palisade Public Schools District will use CRRSA ESSER II funds to:

- Purchase educational technology and improve technical support staff.
- Provide increased health services and support.
- Ensure facilities are professionally cleaned and sanitized.
- Provide safely prepared meals.

Interactive boards will be purchased for each classroom as a part of our school-wide technology upgrade. We will also hire a full time technical support staff member to provide assistance to students and staff.

To ensure the health needs of students and staff are met, the district nurse will have increased hours and duties to help identify needs and diagnose situations and health issues related to COVID 19. In addition, an outside cleaning service will be hired for cleaning and disinfecting both school buildings.

Lastly, additional food service staff will be hired to assist with preparing and serving school lunches within the new school nutrition guidelines.

Our District will ensure that no student or teacher will be denied participation based on gender, race, national origin, socioeconomic status, disability, or age.
