What is the Student Project Grant?

The Hayes County Farm Bureau Project Grant will be offered to 4-H & FFA students that show in Hayes County. The purpose of the grant is to provide funds for students to begin or expand their 4-H or FFA projects. There is no limit to the scale of the project – students are awarded money on the basis of their project summary, goals, and financial needs. If selected, the student must share how they have used the grant towards growing or starting their project at the county's annual meeting. The money may be split among applicants.

What are the criteria for selection?

Applications will be evaluated by a panel of judges (Farm Bureau members and/or staff). The criteria for selection will be based on the completeness of the application in each area:

- Project Summary
- Project Goals
- Financial Need
