

Career Discovery Day Scholarship

Community Hospital is passionate about supporting education in the healthcare field. This is your opportunity to show us your passion for your career so we can help!

To qualify for this scholarship you must be a senior in high school with a drive for pursuing a college education in healthcare. Award letters will be sent out in April. Funds will be paid to your college to help cover your tuition.

Interested? We want to hear your passion, so put it on paper for us. Write us an essay 1-2 pages in length, double-spaced. Tell us what field you are interested in and why. We love to hear about your personal experiences and dreams. Please be sure that it is well-written and grammatically correct, as this will count in our selection process.

Essays and applications are due by March 15:
